Some members are currently experiencing an issue when attempting to log on amerihealthexpress.com. Members experiencing this issue may receive a message saying the system is temporarily unavailable, preventing the member from logging in.

We are working diligently to correct this issue. Please advise members they may call Customer Service at 1-888-YOUR-AH1 (1-888-968-7241) for assistance over the phone.

If you have any questions regarding the portal issue, please contact your AmeriHealth New Jersey broker representative.
