Employer Reporting Information Update

Employer Reporting forms HAVE all now been sent to groups enrolled during 2020 in Members Health Plan NJ

Groups would have received an email with the subject line: **Important - Annual Employer Reporting Information**. This email will also include filing instructions for both the IRS Employer Reporting Section 6055/6065 and the HIMPA mandate.

Important: The email was sent from APHPMEWA@jet-insure.com, please add this email address to your approved list.

As introduced last year – the **New Jersey Health Insurance Market Preservation Act (HIMPA)** requires employers to file with the State of NJ. Questions regarding the filing of the state forms should be directed to NJ State Treasury. The employer can submit an online request via the following **UPDATED** link below:
