

Every shot counts – the COVID-19 vaccines

A year ago, the COVID-19 pandemic disrupted our lives all around the world. As we continue to fight this global pandemic, multiple vaccines are now becoming more widely available.

At Horizon Blue Cross Blue Shield of New Jersey (Horizon BCBSNJ), we want you to have the facts about the vaccines. To help you, we've created a new resource at [HorizonBlue.com](https://www.horizonblue.com). Our COVID-19 vaccine brochure provides information on:

- How vaccines build immunity

- What to expect after getting the shot
- COVID-19 facts, fictions and fakes
- And more

We are all in this fight together. Please continue to protect yourself by wearing a mask, social distancing, washing your hands to avoid spreading infection and staying home if you are sick even after getting vaccinated. Horizon BCBSNJ remains committed to giving you the information you need.
