

COBRA Premium Assistance under the American Rescue Plan Act

Last month Congress passed the American Rescue Plan Act, which provides 100% COBRA subsidies from April 1 to September 30 of 2021. Today the Department of Labor released guidance and model notices that determine how the COBRA subsidies will be administered.

The DOL's [Employee Benefits Security Administration](#) posted the following:

- [COBRA Premium Subsidy dedicated page](#)
- [FAQs](#)
- Five Model Notices: [General Notice and Election Notice](#), [Notice in Connection with Extended Election Period](#), [Alternative Notice](#), [Notice of Expiration of Premium Assistance](#) and [Summary of the COBRA Premium Assistance Provisions](#)

NAHU will provide a review of the COBRA guidance in this Friday's Washington Update along with a Compliance Corner webinar on April 29.
