COBRA Checklist Reminder

To ensure COBRA compliance, it's critical that clients provide OCA with updated COBRA rates and/or new health plan information.

Many employers are now finalizing new health plans and rates for their upcoming benefit year. As a reminder, if/when rates are updated or new benefit plans are added, please remember to communicate those changes to OCA! This ensures

the information provided by OCA to newly qualified beneficiaries (QBs) and existing COBRA participants is accurate and timely.
