

# EASE & OCA Partnership

## OCA Integrates with Ease!

OCA is excited to announce an integration partnership with [Ease](#) as of October 1, 2022. The Ease/OCA integration will allow our broker partners and clients to obtain seamless benefit enrollment integration for COBRA and Flex Administration. If you currently use Ease, the cost of the Ease & OCA integration is at no additional cost, it's included in your Ease subscription!

**To get started**, enable OCA in your [Broker Marketplace](#) and the Marketplace for each group. OCA will then test/approve your request. After approval, the Ease Marketplace Setup Wizard will walk you through the necessary steps to begin utilizing the integration for each group.
