We want you to have access to the latest [health care reform news](#) from Washington, D.C., and states across the country. This weekly e-mail links you to updates on health reform legislation that could significantly impact you.

This week's health care reform news:

Campaign launched to bring transparency to health care pricing

A coalition of consumer groups, health care providers and Aetna has launched the Clear Choices Campaign to advocate for greater transparency in health care pricing.

Other highlights include:

- **Arkansas** legislators pass a prescription drug pricing bill and prior authorization transparency legislation.
- A telehealth bill passes in **Idaho** but without mandated coverage language.
- Two **Maryland** bills that would create new regulations for the stop-loss insurance market continue to be debated.
- Medicaid expansion legislation comes to a quick end in **Nebraska**.
