We want you to have access to the latest [health care reform](#) news from Washington, D.C., and states across the country. This weekly e-mail links you to updates on health reform legislation that could significantly impact you.

This week's health care reform news:

Health care transparency still an issue for states

The Catalyst for Payment Reform and the Health Care Incentives Improvement Institute issued a report card on state transparency laws that gave 45 states a failing grade.

Other highlights include:

- One million low-income **Ohio** residents could be required to pay a new monthly cost for Medicaid health coverage.
- **Oregon's** Insurance Commissioner has approved Centene Corp.'s acquisition of Trillium Community Health Plan Inc.
- **Vermont** announces it will scrutinize sales of mid-term replacement policies for groups with 51-100 employees.
