Plan Year benefit period available for new SEH customers

Small group business

AmeriHealth New Jersey is excited to begin offering the option of a Plan Year or Calendar Year benefit period for new small employer health (SEH) customers, effective July 1, 2017. With a Plan Year benefit period, new SEH customers have the option to begin their 12-month period of benefits on the 1st of the month upon enrollment, and will keep the same benefits for 12 consecutive months. Unlike current Calendar Year benefits, new SEH customers that choose a Plan Year benefit period will have their benefit accumulators, such as deductible and out-of-pocket maximum, reset after 12 months on their renewal date. The rating methodology for new SEH customers enrolling with a Plan Year benefit period will not change.

Select SEH plans will be available to new customers with a Plan Year benefit period. The SEH Plan Year benefits [flyer](#) provides detailed information about which plans in our AmeriHealth New Jersey SEH portfolio are eligible.

If you have any questions regarding Plan Year benefits for new SEH customers, please contact your AmeriHealth New Jersey broker representative.
