The next Individual Open Enrollment Period is fast approaching. During the Open Enrollment Period, members can apply for a new Marketplace plan, keep their current plan, or pick a new one.

These are four key dates for members to keep in mind:

- **November 15, 2014.** This marks the start of the Open Enrollment Period. Members can apply for, keep, or change their coverage.
- **December 15, 2014.** Members must enroll by December 15, if they want new coverage that begins on January 1, 2015. If their plan is changing or they want to change plans, members must enroll by December 15, to avoid a lapse in coverage.
- **December 31, 2014.** Coverage for all 2014 plans comes to an end. As early as January 1, 2015, coverage for 2015 plans can begin.
- **February 15, 2015.** This is the last day to apply for 2015 coverage before the end of the Open Enrollment Period.

If members do not purchase health insurance during the Open Enrollment Period, they will only be able to purchase health insurance if they qualify for a Special Enrollment Period.

In the coming weeks, members will receive an AmeriHealth New Jersey Renewal packet, explaining the best AmeriHealth New Jersey plan option for them.

A [postcard](#) will be sent to members in the coming days, informing them of the important dates for the 2015 Open Enrollment Period.
