

AmeriHealth NJ October 2017 Renewals Posted to your Dashboard

October 2017 renewals have been posted to your MIG Dashboard account.

Our Renewal team will be reaching out to you to assist with re-certification and market analysis. We are also happy to help with preparing HRA/HSA modeling and generating proposals for additional ancillary products. We will be calling you to review each of your group's specific needs for their renewal decision, as well as compile all required paperwork, SBCs and rate grids for the group.

We will also call to review AmeriHealth's unique approach to pediatric dental coverage and how they are handling this provision.
