[Forward to a friend](#)

This is a reminder that beginning February 8, AmeriHealth New Jersey will begin mailing [IRS 1095-B tax forms](#) on a rolling basis to subscribers who purchased plans individually off-exchange and to subscribers of fully insured employers. All subscribers should receive a 1095-B from AmeriHealth New Jersey by mid-February.

To help subscribers understand the purpose of the 1095 form, and answer general questions regarding self-service, targeted messaging will appear on the member portal, amerihealthexpress.com instructing members to download the [1095 FAQ](#). The FAQ is also available on our website at amerihealthnj.com/1095.

AmeriHealth New Jersey is working to ensure accurate IRS reporting

AmeriHealth New Jersey will make every attempt to ensure that our members' personal information is accurate. If a member's Social Security Number (SSN) is not on record, a form with a blank SSN field will be issued, with the date of birth field prepopulated. In order to protect the privacy of the member, only the last four digits of a SSN are printed on the 1095-B.

If subscribers receive a 1095-B from AmeriHealth New Jersey with a missing SSN or one that is incorrect, they should submit the [1095-B SSN Correction Form](#) available at amerihealthnj.com/1095. The correction form includes instructions for providing updated SSNs, which must be in writing. For member convenience, forms can be returned by U.S. mail or by email. Subscribers who need assistance obtaining a correction form to update SSNs may call the toll-free number, **1-888-445-4302**.
