## IHC payment deadline extension

**ATTENTION:** To offer a greater peace of mind for customers purchasing individual coverage through the Federally Facilitated Marketplace or our retail platform, AmeriHealth New Jersey is extending the payment deadline for new IHC members with January 2014 effective dates to February 5, 2014. We are also extending the payment deadline for new IHC members with February 2014 effective dates to March 5, 2014.

This change is one more way that we are helping consumers navigate the health care reform environment.
