

Out-of-network reimbursement update for SEH

[View online](#)
[Forward to a friend](#)

AmeriHealth New Jersey will be updating its out-of-network (OON) reimbursement methodology for SEH products and plans with an OON benefit, in a phased approach. The first phase is effective for SEH new business and upon renewal for current SEH customers, January 1, 2017, through April 30, 2017. The second phase will be effective for SEH new business and upon renewal for current SEH customers, May 1, 2017, through the end of the year.

The AmeriHealth New Jersey OON reimbursement methodology will be updated as follows for SEH products and plans with an OON benefit:

Inpatient:

- **Phase 1** (effective 1/1/17): 150 percent of the CMS fee schedule for the covered service provided
- **Phase 2** (effective 5/1/17): 110 percent of the CMS fee schedule for the covered service provided

Outpatient:

- **Phase 1** (effective 1/1/17): 150 percent of the CMS fee schedule for the covered service provided
- **Phase 2** (effective 5/1/17): 110 percent of the CMS fee schedule for the covered service provided

Professional:

- **Phase 1** (effective 1/1/17): 150 percent of the CMS fee schedule for the covered service provided
- **Phase 2** (effective 5/1/17): 110 percent of the CMS fee schedule for the covered service provided

Customer communication

We will be communicating this change to current SEH customers through their Renewal package cover letter, sent 60 days prior to their renewal date. A separate letter will be sent to notify any SEH customers who have already received their Renewal package, or completed their 2017 renewal.

If you have any questions, please contact your AmeriHealth New Jersey broker

representative.
