Updates to amerihealthexpress.com member portal

The following important updates to our member portal at amerihealthexpress.com are now in effect:

- **New minimum registration age** – New members who register at amerihealthexpress.com must now be at least 18 years old. The previous minimum registration age was 14 years old. Members between the ages of 14 and 17 who are currently registered will continue to have access to amerihealthexpress.com.
- **Access to spending accounts for termed members** – Members who have a spending account through AmeriHealth New Jersey but whose coverage has been termed will have six months of access to view their spending account information.
- **Enhanced Resource Center display** – All materials housed in the Resource Center will now display with an image of the document's first page to help members more quickly find information on their amerihealthexpress.com account. The Resource Center includes such items as a list of services requiring precertification, a flu vaccine reimbursement form, and a prescription drug mail order form.

If you have questions about this update, please contact your AmeriHealth New Jersey broker representative.
