# UPGRADES COMING

AgentView is getting a new landing page

## AgentView will be getting a new landing page!

In an ongoing effort to provide our brokers across all Cigna channels with a consistent and secure user experience, we will be integrating AgentView with CignaforBrokers.

Beginning April 29th, you will be asked to update your credentials and sign a user agreement the first time you visit AgentView.

### It's easy – here is what to expect:

1. **A New Look** – [AgentView](#) will have a [new landing page](#) along with a convenient link to Express App 2.0.
2. **Username and Password** – You will be asked to set a new username and password. If you are already a CignaforBrokers user, you can use for CignaforBorkers username and password. You will be asked to confirm your email address and choose your security questions.
3. **User Agreement** – Review and agree to the terms and conditions. That's it!

We've created a [simple guide](#) to get you started. If you still experience issues setting up your account, simply call the Agent Resource Center at 877-454-0923 or you may email [CSBAccountService@Cigna.com](mailto:CSBAccountService@Cigna.com) for assistance.
