

YOUR CARRIER OF CHOICE

Cigna Supplemental Benefits

As an appointed agent with Cigna Supplemental Benefits (CSB), you can be assured of the continuing support of all our health products in a constantly changing market. Our aggressive ongoing product development has brought numerous new products for you to offer to your customers and we'll continue to work to make Cigna's product portfolio the premier choice in the supplemental market. Here are just a few of the products available to you:*

- › **Flexible Choice Cancer and Heart Attack & Stroke**
- › **Cancer Treatment**
- › **Individual Whole Life**
- › **Accident Treatment**
- › **Accident Expense**

Check out our **Product Availability Chart** for the exact products available in your state. Be sure to refer to **AgentView** for all new business forms, marketing material and training material for all products.

Questions? Comments? Contact your upline manager or our Agent Resource Line at 877.454.0923

*Not all products and options are available in all states. Please refer to AgentView or our Product Availability Chart for product availability. The brochure links above are for generic reference only. Some states utilize state specific brochures and you should refer to AgentView for your state's version, as applicable.

CSB advantages

- › **AgentView** is your online resource for all material and reporting needs.
- › **EXPRESS APP** is where you can quote and submit applications electronically, with the ability to apply for multiple products in a single submission!
- › All products are eligible for phone sales. No wet signature needed!
- › Fast business issue with clean cases issued in 3 to 5 days.
- › Competitive commissions with advanced commissions paid daily.

Together, all the way.™
