EXPRESS APP 2.0

Express App 2.0 goes live next week!

Cigna Supplemental Benefits (CSB) is excited to launch our brand new Express App 2.0 on September 3, 2019!

[Express App 2.0](#)

Express App 2.0 was created with you in mind. Much like the current Express App, Express App 2.0 offers you an all-inclusive platform to quote, enroll and provide all necessary pre-sale materials to your customers! It will include our entire product

suite, including the new Hospital Indemnity product.

User experience enhancements:

- › Cleaner design
- › Quick access to your prospects on the Homepage
- › Easy access to support tools

Important changes with the new tool:

- › American Retirement Life Insurance Company (ARLIC) Medicare supplement will no longer be available for sale under your distribution in the following states: **GA, IL, MD, OH, OK, SD, TX, & WI**. Our Cigna Health and Life Insurance Company Med supp is available for sales in these states - Refer to our [Product Availability Chart](#) for all details.
- › Prospects from our current version of Express App will not be carried over into Express App 2.0. Please document any prospects you wish to retain outside of the current Express App. We will have a new prospect section in Express App 2.0 where you can enter any of your previous prospects necessary.

Original Express App

The original Express App will still be available for a short time while you get to know Express App 2.0. After September 30th, the original Express App will no longer be available.
