

20-Year Disability Study

Cigna Web Meeting Series

Join us as we discuss an analysis of disability claims over the past 20 years. These surprising trends in our culture may both alarm and enlighten. The analysis provides a unique view of employee absence along with strong indicators of what has changed and what has remained the same. Learn how Cigna developed a comprehensive plan that resulted in turning the situation into a win-win for one company's employees and their bottom line.
