

Cigna Specialty Pharmacy Management

Unlocking better health and lower costs

Cigna Web Meeting Series

The specialty pharmacy market is growing exponentially and the impact of these drugs on costs is substantial. As a fully integrated Pharmacy Benefit Manager, Cigna helps to manage these escalating costs, across pharmacy and medical benefits to help drive health improvement, engagement and lower costs. We apply a cohesive, coordinated, clinical approach to manage access to cost-effective drug options to help deliver better total value and help lower costs for our clients and customers.

Group health insurance and health benefit plans are insured or administered by Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company (CGLIC), or their affiliates (see a [listing of the legal entities](#) that insure or administer group HMO, dental HMO, and other products or services in your state). Group Universal Life (GUL) insurance plans are insured by CGLIC. Life (other than GUL), accident, critical illness, hospital indemnity, and disability plans are insured or administered by Life Insurance Company of North America, except in NY, where insured plans are offered by Cigna Life Insurance Company of New York. All insurance policies and group benefit plans contain exclusions and limitations. For availability, costs and complete details of coverage, contact a licensed agent or Cigna sales representative.
