

MANY BENEFITS, ONE PLAN

Attend our broker webinar on bundling health benefits

THE ADVANTAGES AND MYTHS OF BUNDLING Benefit integration strategies for smaller to mid-size employers

Wednesday, September 21, 2016
1:00-2:00 pm (EST)

[Register Now >](#)

Join us to learn the value of integrating health services through a single medical plan – including pharmacy, stop-loss, medical management and health improvement. Your clients can significantly benefit from plans that integrate, drive affordability, provide access to comprehensive quality care and bring benefits to their employees in meaningful and easy ways.

Our keynote speakers include:

- **Katy Wong**, RPh, MBA, Producer Relations, Cigna Pharmacy Management
- **Greg Sullivan**, Cigna Stop Loss Products and Administration/Operations

[Register now](#) to join our webinar and learn how creating an integration strategy today can help your clients save time and money now and for years to come.

Together, all the way.®
