

# THIS IS AN IMPORTANT COMMUNICATION FROM CIGNA

## Help is here for ACA reporting

As part of the Affordable Care Act (ACA), information reporting is due annually to the Internal Revenue Service (IRS) to help ensure compliance with the employer and individual mandates.

To help our clients fulfill these reporting requirements, Cigna has made arrangements with two companies that specialize in comprehensive ACA tax/information reporting services for employers, including print and distribution to employees and electronic filing to the IRS. These companies have agreed to a 15% discount for Cigna clients (promo code required).\*

**To learn more about these companies and the services they offer, we have scheduled the following educational webinars:**
