### Keeping You Informed on Health Care Reform

The election results are in, and as President-elect Trump and the new Congress prepare to take office in January, you can count on Cigna to keep you informed on health care reform.

Cigna will continue to monitor and communicate key regulatory and legislative updates that impact employers and other key stakeholders. We strive to keep you informed through timely news alerts, web meetings and other communications.

For insights on post-election political analysis, [be sure to register](#) for our upcoming web meeting, ***Navigating the Post-Election Landscape: Things to Know for 2017*** which will take place on Thursday, November 17, from 3:00 – 4:00 p.m. ET.
