FORWARD TO A COLLEAGUE

Do you consider a healthy workforce an unnecessary expense, or a necessary investment?

Webinar - Thursday, September 4, 2014, 1 pm – 2 pm EST

[Register Now](#) to learn how investing in the wellness of employees can deliver more than healthier employees.

Learn why:

- Companies that invest in employee health and well-being health are taking steps to optimize workforce performance and control health spending.
- Having health improvement in your company's health plan strategy can help you gain a competitive edge.

GO YOU.
