We are pleased to inform you that we will be teaming with HSA Bank, a division of Webster Bank, N.A., to serve as the health savings account administrator for fully integrated Cigna Choice Fund plans. HSA Bank has announced their intention to purchase the HSA administration business from J.P. Morgan, our current HSA administrator. The transaction is subject to regulatory approval and is expected to close during the fourth quarter of this year. Through the new alliance, Cigna, our clients and customers will have one of the leaders in HSA administration that offers seasoned experience, expertise, industry-leading technology and a long-standing track record of service excellence.
