# SUPPORTING OUR CLIENTS WITH WHAT MATTERS MOST

Identifying the latest trends in health care to help solve challenges today and tomorrow

On April 5th, Cigna hosted a Health Systems Huddle exclusively for health system clients and prospects. In this virtual webinar, participants heard from leading doctors and experts on topics including:

- The impacts of Social Determinants of Health
- Cigna's approach to health equity
- Supporting health care workers

Participant feedback after the event was very positive—and that's why we will be hosting even more events in the future and will be inviting our broker audience to attend.

Bringing insights and well-being together.
