HealthCare.gov

MLMS Closure Starting July 21, 12:01 PM ET

Don't forget that the Marketplace Learning Management System (MLMS) will be closed from Friday, July 21 at 12:01 PM Eastern Time (ET) until training and registration for plan year 2018 goes live in early August.

Take the following steps before the “go-dark” period begins:

- Confirm your MLMS profile is up-to-date so your contact information is available to potential new clients on HealthCare.gov.
- Print your Registration Completion Certificate(s) for the Individual and/or Small Business Health Options Program (SHOP) Marketplace.

Certificates showing you have completed plan year 2017 Marketplace registration and training will **not** be available after July 21, 2017 at 12:01 PM ET when the MLMS closes.
