Welcome to Agents and Brokers for Plan Year 2018!

Thank you for your interest in the Marketplace for plan year 2018*!

- To the extent permitted by states, licensed agents and brokers assist consumers in applying for qualified health plans (QHPs) and insurance affordability programs, including premium tax credits and cost-sharing reductions.
- Agents and brokers also play a crucial role in educating consumers about the Health Insurance Marketplaces, both during the annual Open Enrollment period and throughout the plan year.

Prior to assisting consumers, you should:

- Understand the standards under 45 CFR 155.220, which authorize agents and brokers to assist consumers with selecting and enrolling in QHPs offered through the Marketplaces.
- Be familiar with 45 CFR 155.260, which outlines the limits on how agents and brokers may use any information gained as part of providing assistance to a qualified individual.

To better understand the standards under CFR 155.220 and 155.260, review the guidance on CMS' Agents and Brokers Resources webpage at <http://go.cms.gov/CCIIOAB>.

** 45 CFR § 155.20 defines “plan year” as a consecutive 12-month period during which a health plan provides coverage for health benefits. A plan year may be a calendar year or otherwise.*

Session Guidelines

- This is a 90-minute webinar session.
- Throughout the webinar, you may submit questions via the web chat box and we will address as many as we can during the question and answer (Q&A) session at the end of the presentation.

SHOP Registration

To register to participate in SHOP, agents and brokers:

- **Must** create an account and complete identity proofing through the CMS Enterprise Portal.
- **Must** execute the SHOP Privacy and Security Agreement in the Marketplace Learning Management System (MLMS).
- **May** complete the SHOP training and exam.

Proposed Changes to SHOP for Plan Year 2018

- On May 15, 2017 CMS announced an intention to propose, in future rulemaking, a change in the way small businesses enroll in insurance coverage through the Federally-facilitated SHOP (FF-SHOP).
- Under the proposed approach, small employers looking for SHOP coverage would no longer enroll in SHOP coverage through HealthCare.gov beginning for plan years on or after January 1, 2018.
- Employers would enroll directly through SHOP registered agents and brokers or through issuers instead.
- Agents and brokers will still need to sign the annual Privacy and Security Agreement to assist small employers with applying and enrolling in SHOP coverage.
 - Agents and brokers who sign the Privacy and Security Agreement will be searchable by small employers on Find Local Help on HealthCare.gov.

Enrolling Clients Under Proposed Enrollment Approach

- Under the proposed changes to the FF-SHOP enrollment process, SHOP registered agents and brokers could help their small business clients find a SHOP plan in their area using the See Plans and Prices Tool on HealthCare.gov.
- SHOP registered agents and brokers would then help their clients enroll in an FF-SHOP plan directly through an FF-SHOP issuer.
- Employers will need to complete a simple eligibility determination from the FF-SHOP through HealthCare.gov.
- Employers completing an eligibility determination on HealthCare.gov who enroll in a SHOP plan will still have access to the Small Business Health Care Tax Credit, if eligible.

What is New for SHOP in 2018?

Employee Choice by Insurance Company: While employers in all states are able to offer their employees a choice of a single health and/or dental plan or all health and/or dental plans at a single metal level of coverage, employers in the states listed below will also be able to offer their employees a choice of health and/or dental plans by insurance company. This allows employers to offer coverage options at different metal levels to their employees from a single insurance company.

- The NPN can be up to 10 digits long and must not begin with a zero.

- The NPN is generally not the same as your state license number. Be sure to use your NPN, not a state license number.
- To update the NPN, you can select the “Complete Agent Broker Training” hyperlink and update the information in your MLMS profile.
- Agent and broker NPNs can be found at www.nipr.com/PacNpnSearch.htm.

Be sure to confirm your NPN is correct in your MLMS profile.
Entering an inaccurate NPN could result in denial of compensation/credit by an issuer.

Step 5b: Agent or Broker Completes CMS-approved Vendor Training

- In addition to the MLMS, three (3) vendors are approved to offer Marketplace training for plan year 2018.
 - **America's Health Insurance Plans, Inc. (AHIP):** For more information go to <https://www.ahipexchangetraining.com/file.php/1/public/About.html>
 - **Litmos by CallidusCloud (Litmos):** For more information go to <http://cms.learnpass.com/learn-more>

Step 5b: Agent or Broker Completes CMS-approved Vendor Training (continued)

- CMS-approved vendors are required to offer CEU credits in a minimum of five (5) states where the Marketplace operates (45 CFR § 155.222).
 - Agents and brokers can use these CEUs to meet state licensure requirements for continuing education.
 - For more information on individual state CEU requirements, check with your state's Department of Insurance.
 - The states where CEUs are offered may vary by CMS-approved vendor. This information is available from each vendor via the CMS Enterprise Portal "Agent/Broker Training Options" page by selecting the vendor's "Learn More" link.
- CMS-approved vendors may charge a fee to take their training. Fees for plan year 2018 will range from \$20-\$125 depending on the vendor and the curriculum completed.
- Completing Marketplace training through a CMS-approved vendor still requires you to execute the applicable Agreement(s) on the MLMS prior to assisting consumers seeking to enroll in coverage through the Marketplace.

Step 5b: Agent or Broker Completes CMS-approved Vendor Training (continued)

- If you chose to complete training through a CMS-approved vendor, you must access the vendor's training via the CMS Enterprise Portal. You cannot go directly to the vendor's website to access the training content.
- Select the "Access Training" link for your chosen vendor, and the CMS Enterprise Portal will redirect you to that vendor's website.
- As a reminder, CMS recommends taking CMS-approved vendor training prior to completing your MLMS profile (i.e., complete Step 5b before Step 4).

Plan Year 2018 Agent/Broker Training Options

Agents and brokers have new options to complete Individual Marketplace and/or SHOP Marketplace training for the 2018 plan year. These include third-party vendors. Third-party vendor training may be approved for continuing education units (CEUs). Select ""Learn More"" next to each vendor's listing to obtain information about pricing and CEUs. Please contact the vendor for more information, or if you are having difficulty accessing the vendor's site.

CMS continues to offer training at no charge through its Marketplace Learning Management System (MLMS), but no CEUs are available through the MLMS.
