

At Delta Dental of New Jersey and Delta Dental of Connecticut, our customers are our top priority. COVID-19 has introduced much uncertainty into the dental insurance market. We want to help businesses weather this crisis. We will not increase rates for fully insured clients with **fewer than 500 employees** on all plan anniversary renewals from **May 1, 2020 through December 31, 2020**. This includes all clients currently administered through Allied Administrators and excludes DeltaCare USA clients, and cases written through a Trust, Association or Professional Employer Organizations (PEO).

Over the next few weeks, we will send revised May, June and July renewal notices to reverse any rate increases.

For additional information about how we are helping our customers manage through COVID-19, please visit DeltaDentalNJ.com/COVID-19 or DeltaDentalCT.com/COVID-19.

Please don't hesitate to contact us if you have any questions or need any help.

Stay safe and be well.

Sincerely,

Jeff Furbish
