health plans cost less?

YES.

New for 2016 ... OMNIASM Health Plans

Health care is supposed to make us better.
Now we're helping make health care better
and helping it cost less.

see more on page 2

Can we join forces to change health care for the better?

YES.

The OMNIASM Health Alliance is a collaboration among Horizon and certain doctors and hospitals across the state to enhance the patient experience, improve care and lower costs.

OMNIA Health Alliance doctors and hospitals are focused on:

Improving your health, not just increasing the amount of care you receive

Instead of looking at how many tests you have or how many times you see the doctor, we're concentrating on care that improves your health in a measurable way.

Keeping you well, not just treating you when you're sick

We're making it easy to get the screenings, preventive care and support you need to take care of minor health issues before they become more serious.

Taking a holistic approach to health, not just treating an isolated symptom or issue

We're working to provide OMNIA Health Alliance doctors with the information and support they need not only to see your total health status, but also to connect you with a comprehensive care team that can help with all your health needs.

Improving communication across your entire care team

From setting up specialist appointments to consulting with case managers and nurses, OMNIA Health Alliance doctors and hospitals collaborate to get you the care you need.

Sharing data to help doctors stay connected to your health

No matter where you go for tests, appointments or procedures while using your coverage, we're working to make sure OMNIA Health Alliance doctors and hospitals have that information, so they're always in the loop when it comes to your health.

Compare Plan Types

Platinum, Gold, Silver or Bronze?

Individual health plans are organized by “metal.” The idea is to make it easy for you to compare similar plans from different insurers. Each metal — Platinum, Gold, Silver and Bronze — corresponds to how much you pay versus how much we pay.

In addition to plans at the Platinum, Gold, Silver and Bronze levels, Horizon BCBSNJ offers a low-cost, high-deductible Essentials plan for individuals under age 30.

OMNIA or Advantage?

Here’s a comparison of two typical plans. Each provides medical and drug benefits, wellness programs and emergency care. OMNIA Health plan members who get care at a Tier 2 doctor or hospital will have total out-of-pocket costs comparable to those in a similar Advantage plan.

	OMNIA Silver Health Plan		Horizon Advantage EPO Silver
	<i>Tier 1</i>	<i>Tier 2</i>

*Monthly premium for a 30-year-old. Actual premium could be less if qualified for a subsidy.

Can we make it easier for your doctor to focus on your health?

YES.

How much medical care do you typically use?

NOT MUCH — You get an annual checkup and preventive care, but rarely see doctors otherwise.

Consider: Silver or Bronze plans with lower premiums, but higher deductibles and out-of-pocket costs; Essentials plan (under age 30 only).

A LOT — You see doctors often, and not only for preventive care. You may have a chronic condition and/or take maintenance medications.

Consider: Platinum, Gold or Silver plans with higher premiums, but lower deductibles and out-of-pocket costs.

Would you be willing to choose from select doctors and hospitals to avoid paying a deductible?

You'll save more and have lower out-of-pocket costs when using certain doctors, hospitals and other health care professionals designated in our Doctor & Hospital Finder. Visit [HorizonBlue.com/DoctorFinder](https://www.horizonblue.com/DoctorFinder) to see a complete list of health care professionals near you.

NO — Consider Advantage EPO plans.

YES — Consider OMNIA Platinum, Gold and Silver plans.

Are you under age 30 and generally healthy?

NO
Consider: Platinum, Gold, Silver or Bronze plans.

YES
Consider: Advantage EPO Essentials plan with a low premium but high deductible, and no copayment for your first three PCP visits each year.

Essential Benefits

All our health insurance plans include these 10 categories of essential health benefits:

- » Outpatient services, such as diagnostic tests and minor surgeries
- » Emergency services
- » Hospitalization
- » Maternity and newborn care
- » Mental health and substance-abuse disorder services, including behavioral health treatment
- » Prescription drugs
- » Rehabilitative services and devices

What's an EPO?

EPO stands for Exclusive Provider Organization. Horizon EPO plans offer affordable care when you use participating doctors, specialists and hospitals. While it's not required, you're encouraged to select a PCP who will coordinate your care and make referrals to specialists when needed. Except for emergency care, out-of-network care is not covered.

What's an HSA?

A Health Savings Account, or HSA, is a special type of personal savings account used to help pay for medical care. You can save up to a set amount of money each year, tax-free, and use it toward your deductible and other medical expenses that your plan doesn't cover. Any money left over at the end of the year is yours to apply toward future medical expenses.

You can combine an HSA with a qualified high-deductible health plan, such as the OMNIA HSA Silver Plan.

Is your doctor or hospital in our network?

Go to **HorizonBlue.com/DoctorFinder** and search by name, location or specialty.

OMNIA Health Plan members will save more and have lower out-of-pocket costs when using certain doctors, hospitals and other health care professionals designated in our Doctor & Hospital Finder.

Monthly Premiums

Here are the monthly premium rates for our Horizon BCBSNJ plans. **Your premium may be less** if you qualify for financial assistance from the government. To see if you qualify, use our online estimator at **HorizonBlue.com/Estimator**.

To calculate your monthly premium:

- 1 Your estimated monthly premium will be the total of the rates for each person on the plan, based on their ages, after subtracting any estimated government assistance.
- 2 Need to cover more than three children under age 21? You pay only for the first three.

Questions? Visit **HorizonBlue.com**, call **1-888-425-5611** or contact your broker.

If you qualify for premium assistance, you can apply it to any Platinum, Gold, Silver or Bronze plan. But if you also qualify for cost-sharing subsidies, you must select a Silver plan to take advantage of them.

The Affordable Care Act requires every individual health plan to include pediatric dental care. If you're enrolling in an individual health plan from Horizon, you must buy pediatric dental coverage if you don't already have it. Our dental plan options will help you meet the requirement – and many of them can cover adults, too.
