

Horizon Blue Cross Blue Shield of New Jersey

Cancer Care Support Program

Each cancer patient is different, but they all share a common goal: being cancer-free. Getting there can be challenging, though, and making the right medical decisions can be overwhelming. Horizon Blue Cross Blue Shield of New Jersey's Cancer Care Support Program can make it a little easier.

You can feel more empowered to make decisions about your care if you have a solid understanding of the disease and the medical and surgical treatment options for your specific type and stage. The registered nurses of our program support your doctor's existing diagnosis and treatment plan and provide one-on-one education and health counseling around topics such as:

- Receiving a new diagnosis
- Treatment options
- Nutrition
- Concurrent health issues
- Custom clinical research and follow-up

Participation in our Cancer Care Support Program is voluntary and comes at no additional cost to eligible members¹. To enroll yourself or an eligible dependent, call **1-888-624-3096**, select option **1** for English and option **4** to be connected with a Cancer Care Nurse. Nurses are available to help you Monday through Friday, from 8 a.m. to 8 p.m., Eastern Time.
