

Getting the Most From Your OMNIASM Health Plan

Here are 10 tips to help you take full advantage of your OMNIA Health Plan and get the care you need, when you need it:

1. Carry your member ID card. Show it when you see your doctor or go to a hospital.
2. You do not need to choose a Primary Care Physician (PCP).
3. You can see in-network doctors without a referral.
4. You can use any doctor who is in the Horizon Managed Care Network and any hospital in the Horizon Hospital Network.
5. You pay less out of your pocket when you use an OMNIA Tier 1-designated doctor or hospital. Find in-network doctors, other health care professionals and hospitals at [HorizonBlue.com/doctorfinder](https://www.horizonblue.com/doctorfinder).
6. You do not have out-of-network benefits for nonemergency care.
7. The telehealth service available under your OMNIA Health Plans allows you to video conference, phone or chat online with a board-certified doctor when the need arises, 24/7¹.
8. You have access to more than 96 percent of retail pharmacies in New Jersey to fill your prescriptions, or you can take advantage of convenient home delivery through AllianceRx Walgreens Prime.¹
9. Register and sign in¹ at [HorizonBlue.com](https://www.horizonblue.com). There you'll find detailed information about your plan, benefits and claims, and can take advantage of health and wellness tools, educational resources and more.
