Glossary

Terms to Know

Premium

What you pay each month for health insurance coverage.

Copay

The fixed amount you must pay after you've paid the deductible for each medical visit to a participating doctor or other health care provider, usually at the time of service.

Coinsurance

The percentage of a covered charge that you must pay.

Deductible

The amount you must pay each year for covered charges before benefits are paid by your plan.

Out-of-Pocket Maximum (MOOP)

The most you must pay for covered health care services during a plan year.

Prior Authorization

Advance approval for getting covered health care services.

Emergency Room Admissions

All inpatient admissions through the emergency room (ER), Direct Admissions or other admissions not pre-certified require an authorization. Generally, Utilization Management (UM) will complete a retroactive review of the admission once notified by the facility. All facilities, participating and nonparticipating, including BlueCard providers, are required to notify Horizon BCBSNJ within 48 hours of the admission.

Understanding Family Costs

True Family Aggregate Deductible

It is possible that one or more members can exceed their individual deductible because the family deductible must be met first. The family deductible can be met by one member on the policy or a combination of members. The OMNIA Silver HSA and Bronze HSA Plans have this type of deductible.

Aggregate Deductible

Each family member only needs to meet the individual deductible, and the family deductible amount can be met by any combination of family members, with no single person meeting more than the individual deductible amount. OMNIA Gold and Silver Plans have this type of deductible.

Family Out-of-Pocket Maximum (MOOP) Amounts

Per federal regulation, no one person can exceed the individual MOOP amount. This means that once one family member meets the individual MOOP amount, that family member will pay no more covered charges.

For a family of two, each individual will have to meet the individual MOOP amounts on his/her own. For a family of more than two, any combination of family members can help meet the family MOOP, with no individual exceeding the individual MOOP amount. If the family MOOP is met before any family member reaches his/her individual MOOP, no one will be billed for any covered charges.

That's health insurance you can count on. That's how Blue works for you.
