

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** Benefits may change upon renewal. For more information about your coverage, or to get a copy of the complete terms of coverage, visit Member Online Services at www.HorizonBlue.com/members or by calling 1-800-355-BLUE(2583). If you do not currently have coverage with Horizon BCBSNJ you can view a sample policy here, www.state.nj.us/dobi/division_insurance/ihcseh/sehforms.html. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$250.00 /Individual or \$500.00 /Family for OMNIA Tier 1 providers . \$1,500.00 /Individual or \$3,000.00 /Family for Tier 2 providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	For Health/Pharmacy OMNIA Tier 1 providers \$4,000.00 Individual/ \$8,000.00 Family and for Tier 2 providers \$5,300.00 Individual/ \$10,600.00 Family. Aggregate family. OMNIA Tier 1 accumulates to Tier 2.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.HorizonBlue.com or call 1-800-355-BLUE (2583) for a list of network providers .	You pay the least if you use a provider in OMNIA Tier 1. You pay more if you use a provider in Tier 2. You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

Do you need a [referral](#) to see a [specialist](#)? No. You can see the [specialist](#) you choose without a [referral](#).

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
