

# A hot trend in the new year? Bundles made simple.

Package up simple and powerful in one benefit bundle. Our comprehensive, flexible range of traditional and voluntary products makes it easy to deliver bundles that address each client's goals and keep administration simple.

[Check out the benefits of bundling](#)

**Deliver on simple:** Choose one of our recommended bundles for groups with 100-4,999 employees or design a combo to fit.

**Unlock the power:** Combine streamlined implementation, eligibility, and rate certainty options to help balance cost and coverage needs.

[Let's collaborate](#) to deliver the benefits of bundling for your clients in 2018. Ask about the hottest bundles in your area today.
