

Good morning,

Looking for a simple, smart and local way for brokers to recommend the right combination of benefits at the right price for each small business client?

MetLife Simply SmartSM Bundles start with Dental, with the option to add Vision, Life, Disability or MetLaw[®]. Brokers can choose from recommended plan designs that match local market needs or design their own plan. Best of all, every Dental-plus bundle comes with exclusive value-adds to help close the sale.

Tell your brokers about the simple, smart way to sell multi-product bundles. [Click here](#) for easy-to-share, co-branded handouts, email templates, blog posts and social media messages.
