

# Deliver the benefit value your clients want

To achieve strategic benefit objectives of improved satisfaction, retention and productivity, employees must be engaged. And in today's ever-changing workforce, that's not always easy.

Our latest research explores the engagement edge delivered by enrollment and communication firms — including how employees at companies that use a third-party firm are 24 percentage points more likely to understand materials and benefits than those that don't.

**LEARN MORE**

Count on our strong, strategic third party relationships to help you deliver benefit value, simplify administration and increase employee participation. Let's [collaborate](#) today.

**Did you see that shot?** Go to [pgatour.com/metlife](http://pgatour.com/metlife) to vote in the MetLife MatchUp. Each vote is a chance to win a replica of the 2018 MetLife MatchUp champion's clubs.
