

Grow client satisfaction — and your block of business — with MetLaw[®]

What client doesn't want to add a benefit that saves employees money on services they need? And, do it without increasing the company's overall benefits budget?

Adding a legal services plan like MetLaw, checks all the boxes.

Plus, you now have the opportunity to earn additional compensation on new business.

Here's how:

1. Sell one competitor account takeover with a 2019 effective date **or** three or more new cases with 2019 effective dates
2. Receive an additional 5% compensation on the first year's premium
