

Good Morning,

The MetLife Technology team has made us aware that Google is introducing a change which affects all Google Chrome users globally and will impact how the browser manages cookies. This has the potential to affect how companies and customers worldwide integrate with each other through websites, and is not specific to your company or MetLife. While we are working to minimize any impact to you and your clients, we wanted to proactively alert you to this change.

Click [here](#) for a brief document summarizing the changes, timing and what MetLife is doing as a result.

We remain committed to your success and we trust you find this information helpful.

If you do not wish to receive commercial emails from MetLife or its affiliates in the future, please [click here](#). You may also contact us in writing at MetLife Customer Privacy Center, P. O. If you are eligible for benefits through an employer that offers benefits provided by a MetLife company, this opt-out will not apply to emails relating to those benefits.

MetLife's worldwide benefits products are underwritten by Delaware American Life Insurance Company, a MetLife affiliate domiciled at 600 North King Street, Wilmington, DE 19801, and other affiliates.
