

At MetLife, our brokers and customers are our top priority. As such, we want to help our mutual small business customers who may be facing challenges as a result of the COVID-19 pandemic. So, for our group customers with 99 or fewer employees, we will hold rates (no rate increase) for Dental and Vision renewals with effective dates commencing on or before May 31, 2021. *

This renewal approach helps assure the sustainability of our small business customer benefit programs.

As always, we are here for you and for your team. Please don't hesitate to contact us if you have any questions or need any help.

*Excludes cases written through a Trust, Association or PEO

Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, waiting periods, reductions of benefits, limitations and terms for keeping them in force. Please contact MetLife for complete details.
