- 67% of small businesses hiring in 2018 reported difficulty finding candidates with the skills needed.¹
- 8 in 10 small business owners are working longer hours or filling additional roles to close the gaps.¹

Join MetLife and the U.S. Chamber of Commerce for a timely look at how companies like yours are taking on the challenge of hiring, training and retaining skilled workers.

[Register today](#) to hear from Lori and Traci Tapani of Wyoming Machine about the creative ways they're overcoming hiring challenges and building their business.

Please feel free to extend this invitation to your small business clients.
