

Read our deep dive from MetLife's 2019 Employee Benefits Trend Study

The evolution of expat talent into global brand ambassadors

Expats are often top talent for an organization — and this niche audience has a unique perspective on work, life and life on assignment. To satisfy their growing demands, MetLife's Employee Benefits Trends Study reveals the emerging profile of the modern-day globally-mobile employee, and how customized benefits and improved communications maximize their experience and drive positive engagement.

Read the report for insights on:

How strengthening those benefits can drive recruitment and retention

Which benefits and support most globally-mobile employees most desire

Why a robust communication strategy is especially vital for globally-mobile employees

Read the report or [watch a replay of our recent webinar](#) to hear our business leaders and a panel of industry experts discuss the results. Then, contact me to learn about how I can help you better serve your clients' global ambassadors.
