

The right dental network makes all the difference

Our network is more than just a lot of dentists.

Numbers count. So do discounts, utilization and patient protections when it comes to evaluating dental provider networks.

MetLife's PDP Plus network checks every box on your must-have list when recommending dental plans for your clients.

Access

- 440,000+ participating dental access points¹
- 7.9% higher in-network utilization than industry average²

Discounts

- Negotiated fees that are typically 30%-45% less than average charges in the same community³

- Discounts that exceed the national industry average by 2.6%²

Patient Protections

- Clinically-based claim logic
- Strict quality management procedures and protocols
