

MetLife Disability Evolution & Statutory Leave Information Session

June 15th at 1pm EST

Jason Petsche
Product Director
MetLife

In today's world, technology is more important than ever. MetLife made our largest investment ever in Disability and Leave operation to provide a seamless customer experience through state-of-the-art analytics and AI technology. Hear about **MetLife's Disability Evolution Story** to learn more about our holistic product enhancements.

The statutory landscape continues to evolve as jurisdictions pass laws which require employers to provide specific benefits to their employees. Join us to learn more about the MetLife products that employers can utilize to help comply with the **mandated disability requirements in NJ & NY** as well as the **mandatory PFML requirements in MA & CT**.
