

MetLife Bulletin – February 2022

We remain committed to providing key insights and resources for you and your clients in the latest issue of our MetLife Bulletin.

Enhancements to Customers with Small to Mid-size Companies – *Sales support more simplified*

MetLife made some major enhancements to our sales support model that will best serve you and our mutual customers with under 1,000 employees. We are focused on dedicating more local resources to better understand your book of business and to offer expertise and support when you need it most. With these exciting changes, and more, we're committed to helping you effectively meet your clients' needs while helping to drive your business.

Health Savings & Spending Accounts – Increased HSA interest rates for 2022

MetLife offers a flexible range of tax-advantaged health savings & spending accounts and tailored education so that your clients and their employees can confidently plan and save for their living and health expenses. We are continuing to invest in beneficial features for your clients and their employees. Even though our interest rates are already 2-3 times higher than the industry average, we increased our HSA interest rates for cash balances even more.
