## PCORI FEES ARE BACK!

**ALERT:  
NEW LEGISLATION  
UPDATE**

On December 10, 2019, President Trump signed into law a reinstatement of the Patient-Centered Outcomes Research (PCOR) fee through September 29, 2029 for insured and self-funded health plans.

Prior to this law, many plans had paid their final PCORI fee as of July 31, 2019 or were scheduled for their final assessment on July 31, 2020. However, with the reinstatement of the fee, insured and self-funded plans will continue these payments into 2029 (and in some cases 2030).

THE HARRISON GROUP, INC.

### THE HARRISON GROUP WILL OFFER THIS SERVICE FOR HRA CLIENTS

With the PCORI fee reinstated, employers should prepare for compliance. While insurance carriers will pay the fee for fully insured plans, employers are responsible for paying the PCORI fee for self-funded health plans, including Health Reimbursement Arrangements (HRAs).

The Harrison Group will again offer to prepare Form 720 for a fee of \$100 for the PCORI (Patient Centered Outcomes Research Initiative). We will be in contact with our HRA clients to determine whether they would like for us to prepare the return.

In the meantime, if you or your clients have any questions or concerns, please do not hesitate to reach out.
