

# AmeriHealth Announces Updates To SEH Underwriting Guidelines

Amendments have been made to the AmeriHealth New Jersey Small Employer Health (SEH) Underwriting Guidelines.

Effective April 1, 2015, a class carve out letter will not be required to offer networks side by side. Eligible small groups may offer multiple plans with different networks for their employees to choose from.

Please note that normal underwriting guidelines still apply with the number of plans that a group can offer. Groups can offer one less plan than the number of employees that are enrolled. A maximum of four plans can be offered.
