

Ready! Set! Upgrade!

Dear Health Savings Account (HSA) Member,

This is just a friendly reminder that BenefitWallet® is making some changes. Rolling out on July 13, our brand new member portal and mobile app will offer easy navigation and enhanced functionality. Here is what you need to know:

Action Required

Save Your Documents Now

Any transactional documents or receipts you've saved on the BenefitWallet member portal will need to be captured now.

See our guide for step-by-step instructions.

Remember: These documents will not transfer to the new member portal. Don't delay!

After the New Portal Launches

Your User ID and password won't change, but when the new portal launches on July 13, there may be a few required actions. More information will be sent to you on July 13.

Questions?

If you have questions in the meantime, we are here to help! Simply call the BenefitWallet Service Center at 877.472.4200.
