

The Centers for Medicare & Medicaid Services (CMS) presents an Informational Webinar for Agents and Brokers:

## Complex Eligibility Cases: Calculating Past-Due Premium Payments and Resolving Data Matching Issues

Date	Time
Wednesday, October 18, 2017	1:00 PM – 2:00 PM ET

CMS will provide information relevant to agents and brokers on how past-due premiums are calculated under the new provision that allows issuers to adopt a past-due payment policy as permitted by state law, and will review best practices for assisting consumers with data matching issues. CMS will also respond to participant questions.
