

Mark your calendar for May 1. That's when Delta Dental's incentive bonus program for individual and family plans kicks off.

You'll be able to earn up to \$1,850 in bonuses every four months. **This is in addition to your 10% base commission.**

In each Bonus Period, you'll receive \$50 for selling your first new policy. Then, you'll earn an additional:

- \$100 if you sell 10-24 new policies
- \$300 if you sell 25-49 new policies
- \$700 if you sell 50-74 new policies
- \$1,200 if you sell 75-99 new policies
- \$1,800 if you sell 100+ new policies

We want to make sure you get credit for every policy sold. Besides the bonus, we'll carry over every policy sold beyond your category minimum into the next Bonus Period. So, if you sell 60 new policies, you'll get \$50 for selling your first new policy, the \$700 bonus, plus 10 policies to kickstart your next Bonus Period.
